

VALENTINA STAR DREAMER

Hello there Valentina Star Dreamer ticket holders,

We are looking forward to seeing you at our show.

For our young (and old) space explorers we have a fun task for you to take part in before the show!

If you have the time could you draw us a picture of Outer Space? It can be on any size piece of paper, you can use any paint, pencil, biro or material that you would like as long as it is full of imagination!

Please bring your brilliant picture to the show.

Here are some technical details for the grownups:

For the best experience of the show please watch on a laptop/computer desktop instead of a tablet or phone.

The show operates through Zoom, please also ensure you have downloaded the latest version of Zoom and it is fully updated to version 5.6.0.

If you already have the Zoom desktop installed, you can check for updates: Sign in to Zoom desktop client. Click your profile picture then click Check for Updates. If there is a newer version, Zoom will download and install it.

There will be some moments of audience interaction - for the best experience we advise keeping your video on during the show and make sure you or a member of your group can access the keyboard and use the chat box.

We will send you another email on the day of the performance with the link to the Zoom call where the show will take place.

We look forward to seeing you there!

All the best,
HASTE Theatre & Mouths of Lions Theatre
