Wait What?

How many cool space facts can you learn

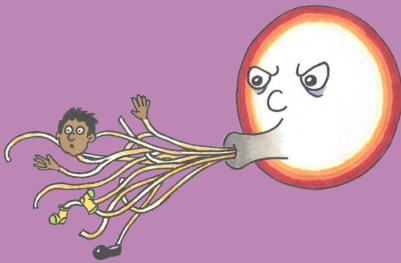

Wait What??

A stray dog named Laika was launched into Space in 1957

Wait What??

Human bodies turn into spaghetti if they land inside a black hole - 'spaghettification'!

Wait What??

There may be a planet made out of diamonds.

Wait What??

If you walk on the moon, your footprints stay for millions of years

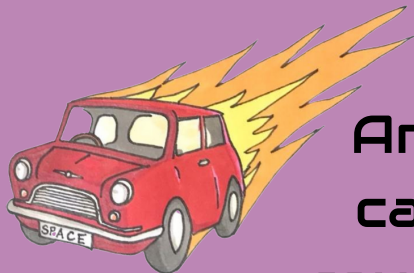

Wait What??

When you are on Mars, the sunset looks like it's blue.

Wait What?

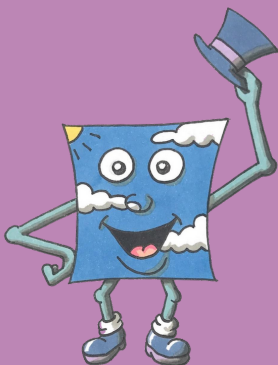

Wait What??

An asteroid about the size of a car enters Earth's atmosphere roughly once a year - but it burns up before it reaches us. Phew!

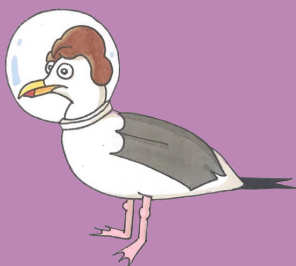

Wait What??

To this day, Valentina is the youngest woman to ever travel into space.

Wait What??

During the launch Valentina recited Mayakovsky: "The sky! Take off your hat! I'm coming!"

Wait What??
